Knowledge of German New Medicine

How did you find out about GNM?

How much have you studied it?

Are you willing to take webinars to increase your understanding of GNM?

Are you willing to continue to review GNM materials so that you are clear about what your symptoms mean and what your healing path entails?

Are you open to immediately asking questions about GNM and your healing path when something is confusing?

Thank you for answering these questions honestly and to the best of your ability. I look forward to speaking to you further about the possibility of applying German New Medicine to your healing.

Warm regards,

Dr. Katherine Willow N.D.
